

BREASTFEEDING ART EXPO

CALL FOR SUBMISSIONS for Independent Artworks

The Breastfeeding Art Expo is an art show that will tour the Interior Health Region (Thompson-Cariboo Shuswap, the Kootenays and the Okanagan) in 2017-2018. We are looking for independent breastfeeding artworks, to complement the 15 community art pieces already in process.

Any age can apply! We are open to a variety of kinds of art.

This is your chance to have your art displayed alongside the community art pieces and other independent artists' work, and recognized in the Expo Art Catalogue & online at the virtual Expo.

An honorarium for successful applicants is available.
